MEMORANDUM

TO : SAINT London

*Ludwig Kohlhammer*

FROM : SAINT Bucharest

The attached list apparently itemizing articles in a certain file was found in the safe of Schenker & Co. Systematic search of Schenker & Co. failed to disclose any such file. We know, however, that Kohlhammer made daily visits to the German Legation and we consider most probably that he kept his espionage records in the Legation which is now occupied by the Russians.

Copy Saint Washington.
